Title: Defensemen Puck Moveme Content elements:

Components :

Description

Drill starts with a F on the wall and the D outside the circle with a puck.

D back skates, transitions to forward and makes a pass to F on the boards.

D transitions to backward and receives a pass back from F.

D transitions to forward skating and makes a pass to F cutting through the middle.

D should follow the play up ice after the pass.

Alternate sides so D work both directions.
