

**Description**

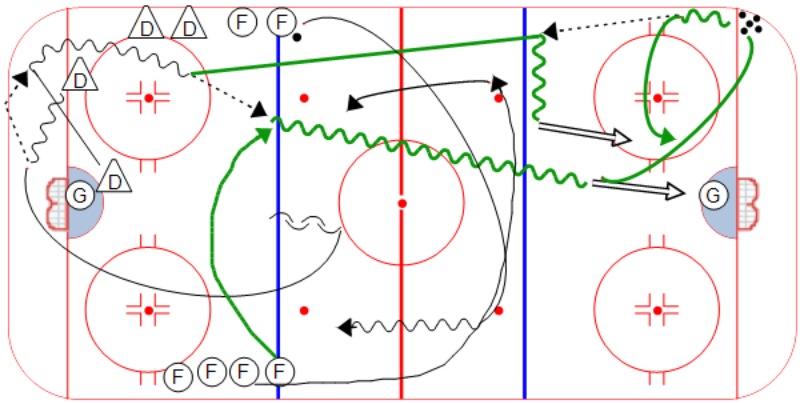

\*\*Drill starts on the whistle. One end only.

On the whistle a D takes a puck behind the net and banks it off the boards to the second D.

The D passes the puck up the middle to a F who takes the puck down for a shot .

The D follows up the ice to the far blue line and receives a pass from the F in the corner.

The other two F play 2 on 1 against the first D.
