

Description

S starts the drill with a shot.
 S loops around circle while X1 skates with a puck and makes a pass to S near the top of the circle.
 X1 skates hard to support S from behind.
 S makes a drop pass to X1
 X1 attacks the outside lane with the puck while S drives hard to the net for a rebound.
 X1 skates to the outside (becomes the new S) after the shot and receives a pass from X2 and the drill continues.
